## December 12th Performance

12:00 noon

The Point at Riverworks

45 North Main Street, Phoenixville

- Kids should arrive at 11:40 to get set up.
- Outdoor, socially-distanced performance - 20 minutes long. Only siblings will be allowed to share music stands.
- Masks Required.
- Dress warmly (coats/sweaters); Riverworks will set up heaters for the kids, too.
- Attendance is **OPTIONAL** - I'm hoping to get at least 5 kids.
- **Let me know by Friday, Dec. 11 so I bring the right number of music stands.**
- We will cancel if it's wet outside or if covid restrictions would prohibit the performance.

# Announcing Online Private Violin Lessons with Ms. Liz

I am opening up lesson slots for one-on-one lessons between Dec. 14 - 23 and Jan. 4 - 8.

If your child is interested, please contact me and we'll set up some times. We can work on music of their choosing. This is not required. However, many of the kids have expressed an interest in lessons and I'm happy to accommodate them!

## Looking Ahead

- The second session of Crescendo will run from January 11, 2021 - May 15, 2021.
- We will continue with the same schedule: Online Classes on Tuesdays and Thursdays and In-person Rehearsals at Ann's Heart on Saturday mornings.
- During the 2nd Session, we will be writing, producing, and performing (both the acting and the music) in our own movie. We have some very cool people from all over the country Zooming in to talk to the kids about different aspects of film and music beginning with a presentation from our local film studies professor Nicole McClure!
- Students from West Chester University will edit and put the whole thing together and we'll present this towards the end of the Spring instead of a live concert.

- We are working on additional activities for the kids to enjoy at their own pace - some online and some on paper for the new year!

*Thank you for your support and Happy Holidays!*
